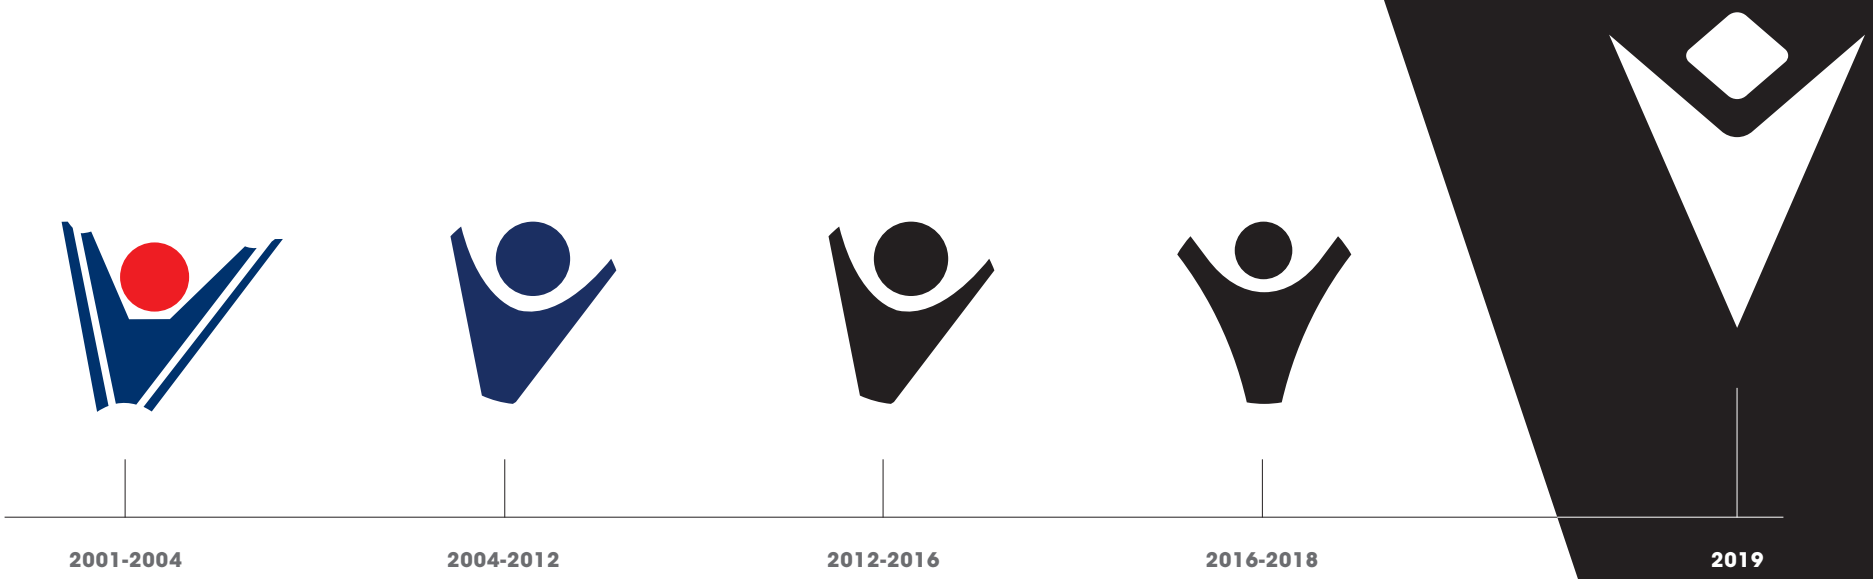
NEW MACRON LOGO

A NEW HERO IS BORN
THE MACRON HERO



Il 2019 si apre con il restyling del logo aziendale, all'interno del quale spicca una nuova icona, il Macron Hero. Pur mantenendo una continuità con i pittogrammi precedenti, conservandone in questo modo la sua riconoscibilità, il Macron Hero ha un carattere più moderno, incisivo e determinato, e potrà essere utilizzato anche da solo. La figura umana, rappresentata con tratti essenziali, si ispira alla punta di una lancia che per definizione è dinamismo e rapidità. I raccordi rompono la geometria tagliente del marchio conferendo eleganza e armonia. Il Macron Hero rappresenta in modo ancora più efficace la gioia alla fine della sfida. Il raggiungimento di un obiettivo. Fatica, passione e determinazione. La filosofia "Work hard. Play harder".

2019 opens with the restyling of the corporate logo, inside which a new icon stands out: the Macron Hero. While in-keeping with the past pictograms, maintaining it recognizable, the Macron Hero has a more modern, sharp and determined character, and can be used by itself. The human figure, designed in a minimalist style, takes its inspiration from the blade of a javelin, an object that by its nature is dynamic and fast. The curved junctions break up the sharp geometry of the logo and provide elements of elegance and harmony. The Macron Hero represents an even more effective way of communicating the joy felt at the end of a challenge. The achievement of a goal. Effort, passion and determination. The philosophy "Work hard. Play harder."

These size charts have been developed on the basis of years of experience and can be used as a guideline when buying Macron. Macron products are made to meet the highest standards and are subject to strict quality control procedures. Garments however can discolour due to substances such as mud and grass, liniment or oil, and of course perspiration, all of which may not be fully removable by washing. The extent of discolouration can be greatly reduced by following a few simple procedures. Soaking and/or washing the garment in water and detergent as soon as possible after use can reduce discolouration, using at least the same volume of water as the garment being treated. Always follow detergent manufacturers instructions, especially those intended to tackle heavy stains and avoid products containing bleach. Macron cannot accept any liability for discolouration or damage to garments resulting from staining caused by elements foreign to the materials used in manufacture. On photographic reproduction and print some colour changes may occur between pictures and original products. We reserve the right to make product/technical changes (in design, colour, function and material), which we feel, will make for improvement of the product. We do not accept any responsibility for printing errors in the catalogue.

DESIGN SU MISURA PER SEGUIRE I TUOI MOVIMENTI

I prodotti PERFORMANCE sono studiati ad hoc tenendo conto della morfologia dell'atleta. La dosata elasticità dei capi sostiene la muscolatura e accompagna ogni movimento come una seconda pelle, garantendo una notevole libertà nei movimenti ed una piacevole sensazione di comfort. La linea PERFORMANCE è adatta per ogni tipo di sport.

NATA PER LO SPORT

I prodotti PERFORMANCE sono realizzati in Nylon 6.6 in modo da garantire al capo leggerezza, stabilità dimensionale, elasticità e una maggiore resistenza all'usura. Grazie a questo filato i capi risultano di facile manutenzione e asciugano rapidamente diventando così un prodotto indispensabile per chi pratica sport.

TAILORED DESIGN TO FOLLOW YOUR MOVEMENTS

The PERFORMANCE products are designed specifically taking into account the morphology of the athlete. The gradual elasticity of the garments support the muscles and accompanies every movement like a second skin, allowing freedom of movement and a high comfort feeling. The PERFORMANCE line is suitable for all kinds of sports.

BORN FOR SPORT

The PERFORMANCE products are made of Nylon 6.6 to ensure lightness, dimensional stability, elasticity and a greater resistance to wear. Thanks to this fabric, the items dry quicker and are easier to maintain making them indispensable for those who practice sports.
